Love the way you lie by Rihanna & Eminem

(Rihanna)
Just gonna stand there
and watch me burn
But that's alright
Because I like the way it hurts
Just gonna stand there
And hear me cry
But that's alright because I love the way you lie
I love the way you lie
I love the way you lie
(Eminem)
I can't (1) you what it really is
I can only tell you what it feels like
And right now there's a steel knife in my windpipe
I can't breathe but I still fight
While I can fight
As long as the wrong feels right
It's like I'm in flight
High of a love
Drunk from the hate
It's like I'm huffing paint
And I love it the more that I suffer
I suffocate
And right before I'm about to drown
She resucitates me
She fucking hates me and I (2) it
Wait
Where you going

I'm leaving you

SUB inglés
No you ain't
Come back
We're running right back
Here we go again
It's so insane
Cause when it's going good
It's going great
I'm Superman with the wind in his bag
She's Lois Lane
But when it's bad it's awful
I feel so ashamed
I snap
Who's that dude
I don't even know his name
I laid (3) on her
I'll never stoop so low again
I guess I don't (4) my own strength.
(Rihanna)
Just gonna stand there
and watch me burn
But that's alright
Because I like the way it hurts
Just gonna stand there
And hear me cry
But that's alright because I love the way you lie
I love the way you lie
I love the way you lie
(Eminem)

You ever love somebody so much

You can barely breathe

When you're with them You meet And neither one of you even know what hit 'em Got that warm fuzzy feeling Yeah them chills Used to get 'em Now you're getting fucking sick Of looking at 'em You swore you've never hit 'em Never do nothing to hurt 'em Now you're in each other's face Spewing venom And these words When you spit 'em You push Pull each other's hair Scratch, claw, bit 'em Throw 'em down Pin 'em So lost in the moments When you're in 'em It's the rage that took over It controls you both So they say it's best To go your separate ways Guess that they don't know you Cause today

That was yesterday

Yesterday is over

It's a different day

Sound like broken records
Playin' over
But you promised her
Next time you'll show restraint
You don't get another chance
Life is no Nintendo game
But you lied again
Now you get to watch her leave
Out the window
Guess that's why they call it window pane
(Rihanna)
Just gonna stand there
and watch me burn
But that's alright
Because I like the way it hurts
Just gonna stand there
And hear me cry
But that's alright because I love the way you lie
I love the way you lie
I love the way you lie
(Eminem)
Now I know we (5) things
Did things
That we didn't mean
And we (6) back
Into the same patterns
Same routine
But your temper's just as bad as mine is

You're the same as me

But when it comes to love

Cingles
You're just as blinded
Baby please come back
It wasn't you
Baby it was me
Maybe our relationship
Isn't as crazy as it seems
Maybe that's what happens
When a tornado meets a volcano
All I know is
I love you too much
To walk away though
Come inside
Pick up your bags off the sidewalk
Don't you hear sincerity
In my voice when I talk
Told you (7) is my fault
Look me in the eyeball
(8) time I'm pissed
I'll aim my fist at the dry wall
Next time
There will be no next time
I apologize
Even though I know it's lies
I'm tired of the games
I just want her back
I (9) I'm a liar
If she ever tries to fucking (10)
I'mma (going to) tie her to the bed
And set the house on fire
(Rihanna)
