

Fill in the gaps

(1) I (2) you in the lies	Praying to a God I don't think exist
Something deep inside me dies	Will you listen now?
Because I know you won't get better, better, better	Can you (6) me somehow?
You'd rather be right than be loved	This time I'll be different, I promise you,
The only thing I've understood	This time I'll be special, you know I will,
Nothing's ever good enough	(7) don't leave with me in your eyes.
I stumble through the words as they're leaving me	This time I'll be better, I want you to know,
Tremble at the sight of your majesty	This time I'll be special, oh God, make it so,
And I cut myself just to get them out	Just don't leave with me in your eyes, your eyes, your eyes
This time I'll be different, I promise you	Closer now to the end
This time I'll be special, you know I will	If love was the answer
Just don't (3) with me in (4) eyes	Then hope was the question
This time I'll be better, I want you to know	Closer now, let's pretend
This time I'll be special, oh God, make it so	We've never (8) out here before
Just don't leave with me in your eyes, your eyes, your eyes	This time I'll be different, I promise you
You took my youth, you took my health	This time I'll be special, you know I will
And if you're not here I'll fight myself	Don't leave with me in your eyes
You're supposed to make this better, better, better	This time I'll be better, I want you to know
No self-control and no reason why	(9) time I'll be special, oh God, make it so
And if I don't change, then we both die	Just don't leave with me in your eyes, your eyes
(5) is it for you and I	(10) eyes
Blisters at the end of my fingertips
