

# Fill in the gaps

## It must have been love (BSO Pretty Woman) by Roxette

It must have (1) love	It was all that I wanted, now I'm living without
But it's over now	It must have been love but it's (16) now
Lay a whisper on my pillow	It's where the water flows
(2) the winter on the ground	It's where the wind blows
I wake up lonely	It must (17) (18) love but it's over now
there's air of (3) in the bedroom and all	It must (19) been good but I (20) i
around	somehow
Touch me now, I (4) my eyes and dream away	It must have been (21) but it's over now
It must have been (5) but it's (6) now	From the moment we touched
It (7) have been (8) but I lost it	Till the time had run out
somehow	It must have (22) love but it's (23) now
It must have been (9) but it's over now	It was all that I wanted, now I'm living without
From the (10) we touched	It must have been (24) but it's over now
(11) the time had run out	It's where the water flows
Make believing we're together	It's where the wind blows
That I'm sheltered by (12) heart	It must have been love but it's over now
But in and outside	It must have been love but it's over now
I've turned to water like a (13) in your	
palm	
And it's a hard winter's day I dream away	
It (14) (15) been love but it's over now	

### 1. been

- 2. Leave
- 3. silence
- 4. close
