## Fill in the gaps

| You're always such a fool                        |
|--|
| And in (1) eyes, so blue                         |
| I see the life I never had before                |
| Do you remember when                             |
| We used to live things separate                  |
| We hadn't met or (2)                             |
| That could be possible                           |
| I'm glad you had your life                       |
| So good so listen to your past                   |
| All of those things brought you with me          |
| And now we're two                                |
| You're always such a fool                        |
| And in your (3) so blue                          |
| I see the life I never had before                |
| You always talk so smooth                        |
| And then in your voice, so true                  |
| I (4) the (5)                                    |
| I never had before                               |
| But if I try to think of something (6) than this |
| Heaven comes down                                |
| And (7) the luck we live                         |
| You're always such a fool                        |
| And in your eyes so blue                         |
| I see the life I never had before                |
| You always (8) so (9)                            |
| And then in your voice, so true                  |
| I hear the dream, I (10) the dream               |
