

Fill in the gaps

Margot by Sala & The Strange Sounds

Margot	Just (13) in the crowd below
(1) & Roll with a broken soul	I really wanted you to know, Margot
And (2) in her eyes	You (14) I never had the time
Don't you know you're so out of control?	To make you wanna change (15) mind
Can't you see that you'll lose (3) mind?	I should've (16) you a sign, Margot
Don't be coming home	Don't be (17) home
I know you're all alone	I know you're all alone
Who would've thought the dog would bite the bone?	Who would've thought the dog would bite the bone?
And (4) you see her at the show	And then you see her at the show
Just dancing in the crowd below	Just dancing in the crowd below
I (5) wanted you to know, Margot	I really wanted you to know, Margot
You know I (6) had the time	You know I (18) had the time
To make you (7) change your mind	To (19) you (20) change your mind
I should've (8) you a sign, Margot	I should've given you a sign, Margot
Followed her down to the Kokomo	And then you see her at the show
Where the music they play's so good	Just dancing in the crowd below
Cat and mouse up in manor house	I really wanted you to know, Margot
(9) I (10) that you said you	You (21) I (22) had the time
would	To (23) you wanna change your mind
Don't be coming home	I should've given you a sign, Margot
I (11) you're all alone	
Who would've (12) the dog would bite the	
bone?	
And then you see her at the show
