

Fill in the gaps

I walk blind with (1) in my eyes			Our house is burning down	
It's like we don't know (2) we've been			Our house is burning	
That's it, boy, just state your case			We're the keepers	
You're just as wrong as you were then			While we sleep in America	
One tough move throw (3) hands up			Our house is burning down	
See I don't make no rules			Our house is burning	
No one even knows I'm here			Down, down it burns down	
Now it's on you to man up			Our house is burning down	
You say no weight will (4)	_ on what you say		And not a thing I've done abates my fear	
Ve're the keepers		And not a thing I've done abates		
While we sleep in America			And (8)	although our hearts can't run
Our house is burning down			We are going, we are going on the (9)	
Our house is burning			Of what we have done	
We're the keepers			We're the keepers	
While we sleep in America			While we sleep in America	
Our house is burning down			Our house is burning down	
Our house is burning down,			Our house is burning	
Down it burns down			We're the keepers	
Our house is burning down			(10)	we sleep in America
Ask me why a dream gets you by			Our house is burning down	
But let it want, that's a dangerous thing			Our house is burning	
Watch out for it, it snakes right past			We're the keepers	
Then turns around and it sucks you in			While we sleep in America	
What happens (5) you get stuck			Our house is burning down	
Get to the bottom of the illusion that you're in			Our house is burning	
From the roots now it's shook up			Down, down it burns down	
Know (6) what ails (7)_		will do	Our house is burn	ing down
you in				
We're the keepers				
While we sleep in America
