Brave by Sara Bareilles

Fill in the gaps

You can be amazing	And let the words fall out
You can turn a phrase into a weapon or a drug	Honestly, I want to see you be brave
You can be the outcast	With what you want to say
Or be the backlash	And let the words fall out
Of somebody's (1) of love	Honestly, I want to see you be brave
Or you can start speaking up	Innocence, your history of silence
Nothing's going to (2) you the way that words do	Won't do you any good
When (3) settle beneath your skin	Did you think it would?
Kept on the inside and no sunlight	Let your words be anything but empty
Sometimes a shadow wins	Why don't you tell them the truth?
But I wonder what would happen if you	Say what you wanna say
Say what you want to say	And let the (8) fall out
And let the words fall out	Honestly I want to see you be brave
Honestly, I want to see you be brave	With (9) you want to say
With what you want to say	And let the words fall out
And let the words fall out	Honestly I want to see you be brave
Honestly, I want to see you be brave	I just want to see you
I just want to see you	I just want to see you
I just want to see you	I just want to see you
I just want to see you	I want to see you be brave
I want to see you be brave	I just want to see you
I just want to see you	I just want to see you
I just want to see you	I just want to see you
I (4) want to see you	I want to see you be brave
I want to see you be brave	I just want to see you
Everybody's been there	I just want to see you
Everybody's been stared down by the enemy	I just want to see you
Fallen for the fear and done (5) disappearing	I want to see you be brave
Bow down to the mighty	I just want to see you
Don't run, stop holding (6) tongue	I just want to see you
Maybe there's a way out of the cage where you live	I just want to see you
Maybe one of these days you can let the light in	
Show me how big your bravery is	
Say what you (7) to say	

Fill in the gaps
