## The trouble with girls by Scotty McCreery

The trouble with girls is they're a mystery	And they bat those eyes
Something about them puzzles me	They steal you with "hello"
Spent my whole life trying to figure out	They kill you with "good bye"
Just what them girls are all about	They (6) you with one touch
The trouble with girls	And you can't break free
Is they're so dang pretty	Yeah, the trouble with girls
Everything about them does something to me	Is (7) (8) trouble as much as
But I guess that's the way it's suppose to be	me
They smile, that smile	The way they hold you out on the dance floor
They bat those eyes	The way they ride in the middle of your truck
They steal you with "hello"	The way they give you a kiss at the front door
They kill you (1) "good bye"	But if you're wishing you could've gone up
They hook you (2) one touch	And just as you walk away
And you can't break free	You hear that sweet voice say: "stay"
Yeah, the trouble with girls	They smile, that smile
Is nobody loves trouble as much as me	And they bat those eyes
They're sugar and spice and angel wings	They steal you with "hello"
And hell on heels and (3) blue jeans	They kill you with "good bye"
A summer night, (4) by the lake	They're the perfect drug
An old memory (5) you can't shake	And I can't break free
They're hard to find, yet there's so many of them	Yeah, the trouble (9) girls
The way that you hate, that you already love them	Is nobody (10) trouble as much as me
But I guess that's the way it's suppose to be
