Something about them puzzles me	(18) kill you (19) "good bye"
Spent my (3) (4) trying to figure out	They hook you with one touch
Just (5) them girls are all about	And you can't break free
The trouble with (6)	Yeah, the trouble with (20)
Is they're so (7) pretty	Is (21) loves trouble as much as me
Everything about them (8)	The way they hold you out on the dance floor
(9) to me	The way (22) ride in the (23) of
But I guess that's the way it's suppose to be	your truck
(10) smile, that smile	The way (24) (25) you a kiss at the
They bat those eyes	front door
They (11) you (12) "hello"	But if you're wishing you could've gone up
They kill you with "good bye"	And (26) as you walk away
They hook you with one touch	You hear that sweet voice (27) "stay"
And you can't break free	They smile, that smile
Yeah, the trouble (13) girls	And they bat those eyes
Is nobody loves trouble as (14) as me	They steal you with "hello"
They're sugar and (15) and angel wings	They kill you with "good bye"
And hell on heels and (16) blue jeans	They're the perfect (28)
A summer night, down by the lake	And I can't break free
An old memory that you can't shake	Yeah, the trouble with girls
They're hard to find, yet there's so many of them	Is nobody loves trouble as much as me
The way that you hate, that you already love them	
But I guess that's the way it's suppose to be	
They smile, (17) smile
