

Fill in the gaps

The trouble with girls by Scotty McCreery

The trouble with girls is they're a mystery	And they bat those eyes
Something about them puzzles me	They (11) you with "hello"
Spent my whole life (1) to figure out	They kill you with "good bye"
Just what them girls are all about	They hook you with one touch
The trouble with girls	And you can't break free
Is they're so dang pretty	Yeah, the trouble (12) (13)
(2) about them (3)	Is nobody loves (14) as much as me
something to me	The way they (15) you out on the dance floor
But I guess that's the way it's suppose to be	The way they ride in the (16) of
They smile, that smile	(17) truck
(4) bat those eyes	The way they give you a kiss at the front door
They steal you with "hello"	But if you're (18) you could've gone up
They kill you (5) "good bye"	And just as you (19) away
They hook you with one touch	You hear (20) sweet voice say: "stay"
And you can't break free	They smile, that smile
Yeah, the trouble with girls	And they bat those eyes
Is nobody (6) trouble as much as me	They steal you with "hello"
They're sugar and spice and angel wings	They (21) you with "good bye"
And hell on (7) and (8) blue jeans	They're the (22) (23)
A summer night, down by the lake	And I can't break free
An old (9) that you can't shake	Yeah, the trouble with girls
They're hard to find, yet there's so many of them	ls (24) loves trouble as (25) a
The way that you hate, that you (10) love	me
them	
But I guess that's the way it's suppose to be	
They smile, that smile
