Bittersweet by Sick of Sarah

Fill in the gaps

rne pain surrounds	when you tuck me in
I watch it rain	You tuck me nighty night
I watch it trickle down	Just like I've been wrong
And I feel so clear	I'm (5) this now
You let it out	I've done it all along
I watch it disappears	And I can't believe in nothing
I don't quite know	Or anyone that I can't see
Just where it ends	You know it's better than it's ever been
Just where the water flows	And that's good enough for me
And I can't (1) see	Your love was bittersweet, bittersweet, bittersweet,
Just where it was	(6) bittersweet
Just where it use to be	Your love was killing me, killing me, killing me,
And I can't believe in nothing	it's killing me
Or anyone that I can't see	-This is the best day of my life-
You know it's better than it's ever been	(bis x3)
And it's good enough for me	I can't (7) in nothing
(2) love was bittersweet, bittersweet, bittersweet,	Or anyone that I can't see
it's bittersweet	You know it's better than it's ever been
Your love is (3) me, killing me, killing me,	And it's good enough for me
it's killing me	Your (8) was bittersweet, bittersweet, bittersweet,
Yes I (4) the line	it's bittersweet
I do it now	Your (9) was killing me, killing me, killing me,
I've done it all the time	it's (10) me
And I feel so free	-This is the best day of my life-
You let me out	-It was the best day of my life-
You let me be my be, be my be	
And I don't feel quite so right
