

Fill in the gaps

The pain surrounds	When you tuck me in
I watch it rain	You tuck me nighty night
I watch it trickle down	(15) (16) I've been wrong
And I feel so clear	I'm doing this now
You let it out	I've done it all along
I (1) it disappears	And I can't (17) in nothing
I don't quite know	Or anyone that I can't see
(2) it ends	You know it's better (18) (19) ever
Just where the (4) flows	been
And I (5) quite see	And that's (20) enough for me
Just (6) it was	Your love was bittersweet, bittersweet, bittersweet,
Just where it use to be	it's bittersweet
And I can't believe in nothing	(21) love was killing me, killing me, killing me,
Or (7) that I can't see	it's killing me
You know it's better than (8) (9)	-This is the best day of my life-
peen	(bis x3)
And (10) (11) enough for me	I can't believe in nothing
Your love was bittersweet, bittersweet, bittersweet,	Or anyone that I can't see
it's bittersweet	You know it's better (22) it's ever been
Your (12) is killing me, killing me, killing me,	And it's (23) enough for me
it's killing me	Your love was bittersweet, bittersweet, bittersweet,
Yes I walked the line	it's bittersweet
I do it now	(24) (25) was killing me, killing me,
(13) done it all the time	killing me,
And I feel so free	it's killing me
You let me out	-This is the best day of my life-
You let me be my be, be my be	-It was the best day of my life-
And I don't feel (14) so right
