

As fast as you can

Fill in the gaps

You say you know that I'll be there	Tell me how low can you go
I've got a penny for your thoughts	You're in out of control
If you care to drop them off	And, oh no, you're overexposed when
Or you can meet me at the station	You never ever (6) thought you ever had a
I'm beyond the hesitation	chance
You're racking up miles to reach me	Oh you'll never show enough skin
The (1) is void,	For them to let you in and
The driver was lost and	Oh no, its overexposure
The people on the bus are telling you to get off	And it breaks you right down now
Run, run, run, run, run, run, run	And it breaks
As fast as you can	And it (7) you right down now
Tell me how low can you go	And it breaks
You're in out of control	And it (8) you right down now
And, oh no, you're (2) when	Overexposure
You never ever really thought you ever had a chance	And it breaks you right (9) now
Oh you'll never show enough skin	Overexposure
For them to let you in and	-and it breaks you right down now- (bis)
Oh no, it's overexposure	Run, run, run, run, run, run, run
(3) me (4) feeling will arise	As fast as you can
When the (5) is sinking	Tell me how low can you go
And people are thinking	You're in out of control
Disregarding all the tension	And, oh no, you're overexposed when
It's beyond your comprehension	You never ever thought you ever had a chance
This trip has taken its course	Oh you'll never show enough skin
This plane is ready to land	For them to let you in and
We'll make it on time	Oh no, its overexposure now
And the airline personnel	Overexposure now
are in the back getting high	¡(bis x3)
