One night stand by Sick of Sarah

Fill in the gaps

I'll make you wonder
I'll make you wonder now
Give your fingertips a break
I'll take you under
I'll make you wonder now
I'll make you wonder
Give your fingertips a break
I'll take you under
I'll (1) you under
And when it starts back into night
You'll ask me if I want to play
Come and chase me through the night and
Feel this fine line escalate
I'll (2) you wonder
I'll make you wonder now
Give (3) fingertips a break
I'll take you under
I'll make you wonder
Let me whisper melodies
Pull me in a (4) more
Pull me close, serenity
If you can't stop me
No you'll do it
Now you'll do it
No you do it again
And (5) you wake up
In yesterday's makeup
You left me with the message
"Can we still be friends?"
And when it starts back into night
You'll ask me if I want to play

(6) and chase me through the nigh	nt and
Feel this fine line escalate	
I can't believe you're	
I can't believe you're gone	
I can't believe you're	
I can't (7) you're gone	
You were my little favourite feeling	
Let's sing la la la	
You are my new favourite feeling	
You are my little (8) fe	eling
Singing whoa	
I catched you at the right time	
Not my feeling, not my feeling	
If you can't (9) me	
No you'll do it	
Now you'll do it	
No you do it again	
And when you wake up	
In yesterday's makeup	
You left me with the message	
"Can we still be friends?"	
And when it starts back (10) night	
You'll ask me if I want to play	
Come and chase me through the night and	
Feel me taste your breath away	
I can't believe you're	
I can't believe you're gone	
I can't believe you're	
I can't believe vou're gone
