

## Fill in the gaps

Poured myself a warm glass
And (1) awake
Prayed the lord my soul to take
Thought about you all day
How we have the same face
I fell asleep so confused
(2) of me remind me of you
How could I ever wish away?
Only ever in dreams I wrap my (3) around you
And standing in the water with me
I could tell you what I want to tell you
And I hope it's not just a bad dream
I hope it's not just a sad dream
I wake up and I hear my phone ring
I hear you (4)
And I let my (5) ring
When I got into my car
And drove away

I listen to the stereo play		
I live by my own laws		
(6)	to my guns	
Hold my head up to the midnight sun		
Hope the guilt (7)	) dim and fade	
A fire baptism eng	gulfs my shame	
Only ever in drea	ms I wrap my arms around you	
And standing in the	ne water with me	
I could tell you what I want to tell you		
And I hope it's no	t just a bad dream	
I hope it's not (8)	a sad dream	
Only ever in drea	ms I wrap my arms around you	
And standing in the water with me		
I could tell you what I want to tell you		
And I hope it's not just a bad dream		
I hope it's not just a sad dream
