

## Fill in the gaps

Poured myself a warm glass
And laid awake
Prayed the lord my soul to take
Thought about you all day
How we have the same face
I fell asleep so confused
Parts of me remind me of you
How could I ever wish away?
(1) ever in dreams I wrap my arms around you
And standing in the water with me
I (2) tell you what I want to tell you
And I hope it's not just a bad dream
I hope it's not just a sad dream
I wake up and I hear my phone ring
I hear you call
And I let my phone ring
When I got into my car
And drove away

(3) to the stereo play
I (4) by my own laws
Stick to my guns
Hold my head up to the (5) sun
Hope the guilt will dim and fade
A fire baptism engulfs my shame
Only ever in dreams I wrap my arms around you
And standing in the water with me
I could tell you what I want to (6) you
And I hope it's not just a bad dream
I hope it's not just a sad dream
Only ever in (7) I wrap my arms around you
And standing in the water with me
I could (8) you what I want to tell you
And I hope it's not (9) a bad dream
I hope it's not just a sad dream
