(1) me back to the start
The condensation is building tension
Stubborn silence is formed
(2) our bodies it's warm
The cool wet grasses as summer passes
Frightened under attack
Fallen flat on my back
Arms and legs
I'm too (3) to beg
Harm me most when it's light
Thought of you don't sit right
I need the darkness a desperate embrace
(4) cities to dust
Faces (5) in lust
