You called my (1) in the dark	
Called me back to the start	
The condensation is building tension	
Stubborn silence is formed	
Around our bodies it's warm	
The cool wet grasses as (2) passes	
(3) under attack	
(4) flat on my back	
Arms and legs	
I'm too scared to beg	
Harm me (5) it's light	
Thought of you don't sit right	
I need the darkness a desperate embrace	
Razing cities to dust	
Faces dripping in lust	
Fallen empires and raging bushfires	
All your words unfounded	
Secret lives bound in bed	
(7) backwards and tangled (8)	words
Ruined everything right	
So good can't see the light	
From my cave I can see the wave	
(9) empires and (10)	bushfires
We are the light, we are the light	
(bis)	
We are the light, we are the light	
-Run to the fire-
