

Fill in the gaps

Fallen empires by Snow Patrol

You called my name in the dark

Called me back to the start

The condensation is building tension

Stubborn silence is formed

Around our bodies it's warm

The cool wet (1)_____ as summer passes

(2)_____ under attack

Fallen flat on my back

Arms and legs

I'm too scared to beg

Harm me most when it's light

Thought of you don't sit right

I need the (3)_____ a desperate embrace

(4)_____ cities to dust

Faces (5)_____ in lust

(6)_____ empires and raging bushfires

All your words unfounded

Secret (7)_____ bound in bed

Living backwards and tangled back words

Ruined everything right

So good can't see the light

From my cave I can see the wave

Fallen empires and raging bushfires

We are the light, we are the light

(bis)

We are the light, we are the light

-Run to the fire-
