Existentialism on Prom Night by Straylight Run

When the sun came up	sad and delicate
we were sleeping in	or loud and out of key
sunk inside our blankets	sing me anything
(1) (2) the bed	we're glad for what we've got
and we were dreaming	done with what we've lost
There are moments when I know it ends	our (7) lives laid out right in front of us
and the world revolves around us	Sing like you think no one's listening
and we're keeping it	you would kill for this
keeping it all going	just a little bit
this delicate balance	(8) a little bit
vulnerable, all knowing	you would, you would
Sing like you think no one's listening	Sing like you think no one's listening
you would kill for this	you (9) kill for this
just a little bit	just a little bit
just a little bit	just a little bit
you would kill for this	you would, you would
(3) like you think no one's listening	Sing me something soft
you (4) (5) for this	sad and delicate
just a little bit	or (10) and out of key
just a little bit	sing me anything
you would, you would
