Fill in the gaps

Take it or leave it by Sublime with Rome

She's got a knack for hurting me	(17) it or leave it
Is it the words she says	Because I'm really leaving
The only thing that keeps me here	I've purchased my ticket to New York
Are her (1) in the morning	First thing in the morning
I've packed my (2) a thousand times	Kissing you good morning
And I've faked believe all her lies, for the last time	And whispering goodbye
The (3) day I (4) myself a map	Take it or (18) it
So I (5) figure out (6) head	(19) I'm really leaving
The canvas dripped (7) my sweat, blood and tears	I've (20) up my mind this time
And she hated (8) thread	There's no coming back for you
I've packed my things a thousand times	Oh, there's no coming back for you
And I've faked believe all your lies, for the last time	And I'll always feel incomplete
Take it or leave it	She smothered herself with her own beauty
Because I'm really leaving	And she was (21) and raised daddy's princes
I've purchased my ticket to New York	But her gesture is no match for an heiress
First thing in the morning	Yes her gesture is no match for an heiress
Kissing you good morning	Because I try to love you, try to hold on to
And whispering goodbye	The feeling that (22) me fall for you
Take it or leave it	Oh, the feeling that makes me fall
Because I'm really leaving	Take it or leave it now
I've (9) up my (10) (11) time	Take it or leave
There's no coming back for you	Because I'm really leaving
Oh, there's no coming back for you	I've (23) my ticket to New York
(12) her no purse was more important	First thing in the morning
Than the knowledge in her head	Kissing you (24) morning
She grabbed her (13) just like a baby	And whispering goodbye, bye
And couldn't believe the words I said	(25) I love you, try to (26) on to
The only thing I ever see her read	The feeling (27) makes me fall for you
Are those damn gossip magazines	The feeling that makes me fall
(14) feed her head with all that nonsense,	makes me fall for you
Says she can fit in (15) the scene	-Can I buy you a drink?-
I've packed my things a thousand times	
And I've faked believe all her lies, for the (16) time
