

Fill in the gaps

Everything has changed by Taylor Swift

All I knew this morning when I woke is

I (1)_____ something now, know something now I didn't
before

And all I've seen since 18 hours ago is

Green eyes and freckles and your smile

In the back of my mind making me feel like

I just want to know you better, know you better

Know you better now

I just want to know you better, know you better

Know you (2)_____ now

I just want to know you better, know you better

Know you better now

I just want to know you, know you, know you

Because all I know is we said hello

And your eyes look like coming home

All I know is a simple name and everything has changed

All I know is you held the door

You'll be mine and I'll be yours

All I know since yesterday is everything has changed

And all my walls

Stood tall painted blue

But I'll take them down, take them (3)_____

And open up the door for you

And all I (4)_____ in my (5)_____ is
butterflies

The (6)_____ kind making up for
(7)_____ time

Taking flight, making me feel like

I just want to know you better, know you better

Know you better now

I just want to know you better, know you better

Know you better now

I just want to know you better, know you better

Know you better now

I just (8)_____ to know you, know you, (9)_____
you

Because all I know is we said hello

And your eyes look like coming home

All I know is a simple name and everything has changed

All I know is you held the door

You'll be mine and I'll be yours

All I know since yesterday is everything has changed

Come back and tell me why I'm (10)_____ like

I've missed you all this time

And meet me there tonight

And let me know that it's not all in my mind

I just want to know you better, know you better

Know you better now

I just want to know you, know you, know you

Because all I know is we said hello

And your eyes look like coming home

All I know is a simple name and everything has changed

All I know is you held the door

You'll be mine and I'll be yours

All I know since yesterday is everything has changed

All I know is we said hello

So dust off your highest hopes

All I know is pouring rain

And everything has changed

All I know is a new found grace

All my days, I'll know your face

All I know since yesterday is everything has changed

Fill in the gaps
