Everything has changed by Taylor Swift

All I knew (1)_____ morning when I woke is
I know something now, know something now I didn't before
And all I've seen since 18 hours ago is
Green eyes and freckles and your smile
In the back of my mind (2)_____ me feel like
I just want to know you better, know you better
Know you better now
I just want to know you better, (3)_____ you better
Know you (4)_____ now
I just want to know you better, (5)_____ you better
Know you better now
I (6)_____ want to know you, (7)_____ you, know
you
Because all I know is we said hello
And your eyes look like coming home
All I know is a simple name and everything has changed
All I (8)_____ is you held the door
You'll be mine and I'll be yours
All I know (9)_____ yesterday is everything has

And all my walls
Stood tall painted blue
But I'll take them down, take them down
And (10)_____ up the door for you
And all I feel in my stomach is butterflies
The beautiful kind making up for (11)_____ time
Taking flight, making me feel like
I just want to know you better, know you better
Know you better now
I just want to know you better, (12)_____ you better
Know you better now
I just (13)_____ to know you better, know you better

And your eyes look like coming home
All I (17)_____ is a simple name and everything has

Come back and tell me why I'm feeling (19)_____
