

Fill in the gaps

I call it a split because you (1) that you will	Never going to quit it, no
You bite your friends like chocolate	Now we're building up speed
You said that we go where nobody knows	As we're approaching the hill
(2) hidden (3) our petticoats	Your hair smells like chocolate
And never going to quit it	Now you say you're going to quit it
We're never going to quit it, no	But you're never going to quit it
Run, run away from the boys in the blue	Go get it, go get it, go
My car smells like chocolate	And play it cool
And now I think about what to do	We go where nobody knows
I think about what to say	We've got guns hidden under our petticoats
I think about how to think	And we're never going to quit it
Pause it, play it, pause it, play it, (4) it	We're never going to quit it, no
Oh, we go (5) nobody knows	We're dressed in black from head to toe
Guns hidden under our petticoats	We've got guns hidden under our petticoats
We're never going to quit it	And never going to quit it, no
Never going to quit it, no	And never going to quit it, no
We're (6) in black from head to toe	I think we better go, seriously, (10) go
We've got guns hidden under our petticoats	I said the feds are here
We're never going to quit it	You know, seriously, better go
Never going to quit it, no	Well, I think we better go
I'm never going to quit it, no	I said the feds are here
You're never (7) to (8) it, no	You know, I said, Rebecca better know
You're never going to quit it	Seriously better go
If you don't stop smoking it	Well, I think we better go
That's what she said, she said	Well, I think we better go
We're (9) in black head to toe	Well, I think we better go
Guns hidden under our petticoats	I think we better go
And we're never going to quit it	
We're never going to quit it
