

## Fill in the gaps

Help! I need somebody	I know that I just need you
Help! not just anybody	Like I've never done before
Help! you know I (1) someone	Help me if you can, I'm feeling (6)
Help!	And I do appreciate you being round
When I was younger	Help me get my feet back on the ground
so much younger than today	Won't you please, please help me?
I never needed	When I was younger,
anybody's help in any way	So much younger than today
And now these (2) are gone	I never needed anybody's help in any way
I'm not so (3) assured	But now these days are gone,
Now I find I've changed my mind	I'm not so self assured
I've opened up the doors	Now I find I've changed my mind
Help me if you can	I've opened up the doors
	Help me if you can,
I'm feeling down	
And I do (4) you	I'm feeling down
being round	And I do appreciate you being round
(5) me get my feet back on the	Help me, get my feet back on the ground
ground	Won't you please please help me?
Won't you please, please help me?	Help me, help me
And now my life has changed in oh so many	
ways	
My independence seems to vanish in the haze	
And now these days are gone	
I'm not so self assured
