

Mamma mia

Fill in the gaps

I've been cheated by you since I don't know when	Here I go again
So I made up my (1) it must come to an end	My my
Look at me now	How can I resist ya
Will I ever learn	Mamma mia
I don't know how	Does it show again
But I suddenly lose control	My my
There's a fire within my soul	Just how much I've (6) ya
Just one look and I can hear a bell ring	Yes I've been brokenhearted
One (2) look and I forget everything	Blue since the day we parted
Oh oh	Why why
Mamma mia	Did I ever let you go
Here I go again	Mamma mia
My my	Even if I said
How can I resist ya	Bye bye
Mamma mia	Leave me now or never
Does it show again	Mamma mia
My my	It's a game we play
Just how much I've missed ya	Bye bye
Yes I've been brokenhearted	Doesn't mean forever
Blue since the day we parted	Mamma mia
Why why	Here I go again
Did I ever let you go	My my
Mamma mia	How can I resist ya
Now I really know	Mamma mia
My my	Does it (7) again
I could never let you go	My my
I've been angry and sad (3) things that you do	Just how much I've missed ya
I can't count all the times that I told you we're through	Yes I've been brokenhearted
And (4) you go	Blue (8) the day we parted
When you slam the door	Why why
I think you know	Did I (9) let you go
That you won't be away too long	Mamma mia
You know that I'm not that strong	Now I really know
Just one look and I can hear a bell ring	My my
One more (5) and I forget everything	I could never let you go
Whoah oh
