r kept you in the snape of the hight			
But not as a prisoner of war			
Tell the analysis it isn't alright			
Because this part of the mind			
Is dressed in childish decor			
And (1) the sun comes out, I'll ask to play			
And if you don't have money we'll work all day			
And there's a time and a place			
She said: well, this is that place			
We've got to think ahead or we'll (2) to retrace			
The little engine that could			
Was the engine that (3) now			
I told you I'd never			
Ever, ever ever, ever ever			
(4) hurt you again			
I'm fine all (5) in my own head			
That's if you just say that you won't ever leave me			
Oh, I can see, that you are meant to be			
(6) like my skeleton key in stability			
Though, we can turn it in			
Yes, we can turn it anyway			
And if it turns anyway			

Then I guess we'll stay			
(7)	if it doesn't you'll nev	ver	
Ever, ever ever, ever ever			
Ever love me again.			
Never ever love me again			
Never (8)	hurt me again		
Never love me again			
Never again			
Never love me again			
I'm just a child			
And you're just a child			
And I'm just a child			
Well I'm (9) a child, and you're just a child			
I'm just a child, just a	child, (10)	a child and	
You're just a child, just a child, just a child and			
I'm just a child, just a child, just a child and			
You're just a child, just a child, just a child and			
It's time for us to play			
It's time for us to play			
It's time for us to play
