

Fill in the gaps

Don't carry it all by The Decemberists

Here we come to a turning of the season	And this I swear to all
Witness to the arc towards the sun	And there a wreath of trillium and ivy
And neighbors' (1) burden within reason	Laid upon the (9) of a boy
(2) a (3) born of all and	(10) Will the long come from its high beam
one	(11) this (12) searcher to the
And nobody, nobody knows	soil
Let the yoke fall from our shoulders	So (13) a glass to (14) o
Don't carry it all, don't carry it all	the season
We are all our hands and holders	And watch it as it arcs towards the sun
Beneath this bold and brilliant sun	And you must bear
And this I (4) to all	your neighbor's burden (15) reason
Monument to (5) beneath the arbors	And your labors will be born (16) all is done
(6) a plinth that towers towards the trees	And nobody, (17) knows
But every vessel (7) hard to starboard	Let the yoke fall from our shoulders
Lay its head on summer's freckled knees	Don't (18) it all, don't carry it all
And nobody, nobody knows	We are all our (19) and holders
Let the yoke fall (8) our shoulders	(20) this bold and
Don't carry it all, don't carry it all	(21) sun
We are all our hands and holders	And (22) I swear to all
Beneath this bold and brilliant sun	And this I (23) to all
And this I swear to all	And this I (24) to all
