

Fill in the gaps

(17) gotta be (18)
Because I want it all
It started out (19) a kiss
How did it end up like this?
It was only a kiss
It was only a kiss
Now I'm falling asleep
And she's calling a cab
(20) he's (21)
(22)
And she's taking a drag
Now they're going to bed
And my stomach is sick
And it's all in my head
But she's touching his chest
Now, he takes off her dress
Now,let me go
I just can't (23)
It's killing me
And taking control
Jealousy, (24) sheets into the sea
Swimming (25) sick lullabies
Choking on your alibies
But it's just the price I pay
Destiny is calling me
Open up my (26) eyes
(27) I'm Mr. Brightside
I never, I never, I never
