

## Fill in the gaps

You were standing with your giriffiends in the street	A little (13) and truth, I didn't ask
Falling back on forever	for much, no
I wonder what you came to be	Talk about being at the wrong place
I was new in town, the boy (1) the eager eyes	At the wrong time
I never was a quitter	Miss (14) Bomb
Oblivious to schoolgirls' lies	Making out we've got the radio on
When I look back on those (2) lights	You're (15) miss me when I'm gone
The leather seats, the passage rite	You're gonna miss me when I'm gone
I (3) the heat, I see the light	Racing (16) under moonlight
(4) (5) Bomb	We're taking chances on a hot night
Making out, we've got the radio on	And for a second there we'd won
You're gonna miss me when I'm gone	Yeah we were innocent and young
You're gonna miss me when I'm gone	The dust (17) has settled, and my
(6) shadows under moonlight	(18) are clear
Through the desert on a hot night	But sometimes in dreams of impact I still hear
And for a second there we'd won	Miss Atomic Bomb, I'm standing here
Yeah, we were innocent and young	Sweat on my skin
Cast out of the night, well you've got a foolish heart	And (19) love that I've cradled
So you (7) your place	Is (20) thin
But the (8) from grace was the	But I'm standing (21) and you're too late
(9) part	Your shock wave whisper has (22) your fate
It feels just like a dagger	Feels just (23) a dagger
Buried (10) in your back	Buried deep in your back
You run for (11)	You run for cover
But you can't escape the second attack	But you can't (24) the second attack
Your soul was innocent	Your soul was innocent
She kissed him and she painted it black	She kissed him and she painted it black
You should (12) seen your little face	You should have (25) (26)
Burning for love, holding on for your life	(27) (28) burning for love
All that I wanted was a little touch	-Miss Atomic Bomb-
