

Fill in the gaps

Miss Atomic Bomb by The Killers

You were standing with your girlfriends in the street
Falling back on forever
I wonder what you came to be
I was new in town, the boy with the eager eyes
I never was a quitter
Oblivious to schoolgirls' lies
When I look back on those neon lights
The leather seats, the passage rite
I feel the heat, I see the light
Miss Atomic Bomb
Making out, we've got the radio on
You're gonna miss me when I'm gone
You're gonna miss me when I'm gone
Racing shadows under moonlight
Through the desert on a hot night
And for a second there we'd won
Yeah, we (1)_____ innocent and young
Cast out of the night, well you've got a foolish heart
So you took your place
But the (2)_____ from grace was the
(3)_____ part
It feels just like a (4)_____
Buried deep in your back
You run for cover
But you can't escape the second attack
Your soul was innocent
She kissed him and she painted it black
You should have seen your little face
Burning for love, holding on for your life
All that I wanted was a little touch

A little tenderness and truth, I didn't ask for much, no
Talk about being at the wrong place
At the (5)_____ time
Miss Atomic Bomb
Making out we've got the radio on
You're gonna miss me (6)_____ I'm gone
You're gonna miss me when I'm gone
Racing shadows under moonlight
We're taking chances on a hot night
And for a second there we'd won
Yeah we were innocent and young
The dust cloud has settled, and my eyes are clear
But sometimes in (7)_____ of impact I still hear
Miss Atomic Bomb, I'm standing here
Sweat on my skin
And this love that I've cradled
Is (8)_____ thin
But I'm standing here and you're too late
Your shock wave whisper has sealed your fate
Feels just like a dagger
Buried deep in your back
You run for cover
But you can't (9)_____ the second attack
Your soul was innocent
She kissed him and she painted it black
You should (10)_____ seen your little face burning for
love
-Miss Atomic Bomb-

Answer
