

Fill in the gaps

So you (6) a way to take a little with you
For the ones you love, for the ones you love
For the ones you love there's if they need too
Pharaoh, pharaoh
Pharaoh they're not coming with you.
And we go back to where we came from
Like those before and those to come
And know it's the ever and the more
And (7) and again and again
So soon we, so soon we
So soon we're too old to carry
And we knew it, and we knew it
Abd we knew we only had a little while
In the middle, in the middle
In the middle just keep ticking over
Before you know it, before you know it
Before you know it parent's a parent
And we go (8) to (9) we came from
Like those before and those to come
And know it's the ever and the more
And again and again
