

## Fill in the gaps

So soon we, so soon we	So you find a wa
So soon we're too old to carry	with you
And we knew it, and we knew it	For the ones you
And we knew we only had a little while	For the ones you
In the middle, in the middle	Pharaoh, pharao
In the middle (1) keep ticking over	Pharaoh they're
Before you know it, before you (2) it	And we go back
Before you know it parent's a parent	Like those before
To (3) it all, to have it all	And know it's the
To have it all and still want more	And (12)
One thing's for sure, one thing's for sure	So soon we, so s
One thing's for sure we're all getting older	So soon we're too
So we take a lover, so we take a lover	And we knew it, a
So we take a lover waiting in the corner	Abd we (14)
And before you know it, (4) you know it,	In the middle, in t
Before you know it, (5) up the daisies	In the (15)
And we go back to where we came from	Before you know
Like (6) before and those to come	Before you know
And know it's the ever and the more	And we go back
And (7) and again and (8) we go	Like (17)
In the end, In the end	And know it's the
In the end nothing comes easy	And again and a
So you (9) a way, so you find a way	

So you find a way to (10) a (11)
with you
For the ones you love, for the ones you love
For the ones you love there's if they need too
Pharaoh, pharaoh
Pharaoh they're not coming with you.
And we go back to where we came from
Like those before and those to come
And know it's the ever and the more
And (12) and again and again
So soon we, so soon we
So soon we're too old to carry
And we knew it, and we (13) it
Abd we (14) we only had a little while
In the middle, in the middle
In the (15) (16) keep ticking over
Before you know it, before you know it
Before you know it parent's a parent
And we go back to where we came from
Like (17) before and those to come
And know it's the ever and the more
And again and again
