

Fill in the gaps

A normal day,	When you take a life,
everything seems all right	you are taking mine
A thirteen year old,	You don't understand,
with a gun in his hand	you don't understand
He left for school,	What we've been growing (7) patience and love
waving goodbye	has fallen apart
Not (1) that now,	A normal day,
there is no way back.	everything seems all right
All (2) was given,	A thirteen year old,
he will take it away	betrayed by his dad
He doesn't (3) care,	He left for school,
there are more to blame.	waving goodbye
Then shoots a poor girl,	Not knowing that now,
that was running late	there is no way back.
She falls and she bleeds,	I'm filling my time with messages of hope
with no time,	I'm filling my time with thoughts of love
with no time to flee.	You (8) understand,
You (4) understand,	you (9) understand
you don't understand	When you take a life,
When you take a life,	you are taking mine
you are taking mine	You don't understand,
You don't understand,	you don't understand
you don't understand	What we've been growing with patience and love
(5) we've been growing with patience and love	e You don't understand,
has fallen apart	you don't understand
The feeling of pain,	When you take a life,
never felt it before	you are taking mine
I know it's not easy,	You don't understand,
that there isn't a cure.	you (10) understand
Stop looking away,	What we've been growing with patience and love
Quit turning around	has fallen apart
Silence and violence would sure turn you down.
