

Fill in the gaps

the storm

__ too healthy

Your mind is on the run by The Monomes

It's not quite the time	she still doesn't know
not really the rhyme	if she's right or I'm wrong
that voice is cracking up	but what you cannot buy
doomed to a (1) bang-bang	is a (7) on the sunshine
the sweetest nightmare	Your feet are on the ground
my mind don't seem to stop	and your mind is on the run
I've (2) hiding for too long	your mind is on the run.
you cannot even try	Won't somebody, somebody too healthy
you cannot (3) to fly	come and help me (8) the store
when your feet are on the ground	I know, you lend me (9) wings
and your mind is on the run	so I could feel free
Won't somebody, somebody too healthy	be calm and be warm
come and help me (4) the storm	-be calm and be warm-
I know, you lend me your wings	Won't somebody, (10)
so I (5) feel free	come and help me from the storm
be calm and be warm	I know, you lend me your wings
-be calm and be warm-	so I could feel free
It is what it looks like	be calm and be warm
the (6) of the night	-be calm and be warm-
keeps my blood cold enough	
so my mind can stay bright	
Bang-bang, an aerial nightmare
