

## Diary of a smoker by The Monomes

én.

The sun will (1) in time,	(18) in the sky,
I'll be paying my fees	where the tears are getting dry,
A (2) sad letter holds still	Where am I?
(3) you are looking at me	High and off my mind,
Now (4) around and	While the world just (19) to fade,
you'll see we are doing just fine	I'll be coughing out my lines.
as it (5) and	Guess I wish you luck,
it flows and it rushes (6) down (7)	guess I (20) you luck.
spine	(21) in the sky,
High in the sky,	where the tears are getting dry,
where the (8) are getting dry,	Where am I?
(9) am I?	High and of my mind,
(10) and off my mind,	(22) the (23) just
(10) and off my mind, While the world (11) seems to fade,	(22) the (23) just (24) to fade,
While the world (11) seems to fade,	(24) to fade,
While the world (11) seems to fade, I'll be coughing out my lines.	(24) to fade, I'll be coughing out my lines.
While the world (11) seems to fade, I'll be coughing out my lines. From one to ten the magic word is rehab	(24) to fade, I'll be coughing out my lines. (25) in the sky,
While the world (11) seems to fade,         I'll be coughing out my lines.         From one to ten the magic word is rehab         If you (12) it that much you can	(24) to fade, I'll be coughing out my lines. (25) in the sky, where the tears are (26) dry,
While the world (11) seems to fade,         I'll be coughing out my lines.
