The Flood by Take That

Standing, on the edge of forever,
At the start of whatever,
Shouting love at the world.
Back then, we were like cavemen,
We'd beam at the moon and the stars,
Then we forgave them.
We will (1)_____ you where the (2)_____ are,
The defenders, of the faith we are.
Where the thunder turns around
they'll run so hard we'll tear the (3)_____ away.
You know no one dies,
in these love town lies,
Through our love drowned eyes,
we'll (4)_____ you (5)_____ tonight.
Although no one understood
we were holding back the flood,
Learning how to dance the rain.
We were holding back the flood
they said we'd (6)_____ dance again.
Bleeding, but none of us leaving,
Watch your mouth son or you'll find yourself
(7)_____ home.
Here we come now on a dark star,
seeing demons, not (8)_____ we are.
Tiny minds and eager hands
hands will try to strike but now (9)_____ end today.

There's progress now where there once was none,
where there (10)_____ was ah, then everything
(11)_____ along.
Although no one understood,
we (12)_____ holding (13)_____ the flood
learning how to dance the rain.
There was more of them than us
now they'll never (14)_____ again.
Although no one understood
there was more of them than us
learning how to dance the rain,
We were (15)_____ back the flood
they said we'd never dance again.
We will meet you where the (16)_____ are,
The defenders, of the faith we are.
Where the (17)_____ turns around
they'll run so (18)_____ we'll tear the ground away.
Although no one understood,
there was (19)_____ of them than us
learning how to dance the rain.
(learning how to (20)_____ the rain)
There was (21)_____ of (22)_____ than us
