

Fill in the gaps

View (from an airplane window) by The Monomes

It feels so (1) to be out of place	is lost (8) my secrets
When you know (2) breathing in	I miss you
different air	I try to find you in my suitcase
I search for feelings (3) I try to trace	My memories are
With a gin and tonic rocking in my chair	locked inside a box
The taste can spread	and there's a key that would open it
but I know you aren't there	is lost inside my secrets
And I'll hide myself in a bottle of beer	I miss you
'Cause my memories are	I try to find you in my suitcase
locked inside a box	Cerulean sky torn apart like a drum
and there's a key (4) would open it	like a strum like a tear of my soul
is lost inside my secrets	The man stood still with his mind aware
I miss you	'Cause my memories are
I try to find you in my suitcase	locked inside a box
The sun is gone, but the light still burns	and there's a key that would open it
The view up here	is lost inside my secrets
makes me be the clear	I miss you
Let me shake my ball	I try to find you in my suitcase
and you will appear	My (9) are
Although I think tonight	(10) inside a box
I might be (5) here	and there's a key that would open it
Cerulean sky torn apart like a drum	is lost inside my secrets
like a strum	I miss you
like a tear of my soul	I try to find you in my suitcase
The man (6) still with his mind aware	
(7) my memories are	
locked inside a box	
and there's a key that would open it
