Bed's too big without you by The Police

Bed's too big without you	All I gained was heartache
The cold wind blows right through my open door	All I (8) was one mistake, oh yeah
I can't sleep with your memory	Now the bed's too big without you
Dreaming dreams of what used to be	The bed's too big without you
When she left I was (1) inside	The bed's too big without you, without you
That look on my face was just pride	Bed's too big without you
No regrets, no love, no tears	The cold wind (9) right through that open door
(2) on my own was the least of my fears	I can't sleep with your memory
The bed's too big (3) you	Dreaming dreams of what used to be
The bed's too big without you	When she left I was cold inside
The bed's too big without you, without you	Look on my face was just pride
Since (4) day (5) you'd gone	No regrets, no love, no tears
Just had to (6) on	Living on my own, the least of my fears
I get through the day, but late at night	The bed's too big without you
I made love to my pillow,	The bed's too big without you
but it didn't seem right	The bed's too big without you, without you
