| Please allow me to introduce myself          | vvno killed the Kennedys?"                        |
|--|---|
| I'm a man of wealth and taste                | When after all it was you and me                  |
| I've been around for a long, long year       | Let me please introduce myself                    |
| Stole many man's soul and (1)                | I'm a man of wealth and taste                     |
| And I was 'round when Jesus Christ           | And I laid traps for troubadours                  |
| Had his moment of doubt and pain             | Who get killed (5) they reached Bomba             |
| Made damn sure that Pilate                   | Pleased to meet you                               |
| Washed his hands and sealed his fate         | Hope you guessed my name, oh yeah                 |
| Pleased to meet you                          | But what's puzzling you                           |
| Hope you guess my name                       | Is the nature of my game, oh yeah, get down, baby |
| But what's puzzling you                      | (bis)   |
| Is the nature of my (2)                      | Just as every cop is a criminal                   |
| I (3) around St. Petersburg                  | And all the sinners saints                        |
| When I saw it was a time for a change        | As heads is tails                                 |
| Killed the czar and his ministers            | Just call me Lucifer                              |
| Anastasia screamed in vain                   | 'Cause I'm in need of some (6)                    |
| I rode a tank held a general's rank          | So if you meet me have some courtesy              |
| When the blitzkrieg raged                    | Have (7) sympathy, and some taste                 |
| And the bodies stank                         | Use all (8) well-learned politesse                |
| Pleased to meet you                          | Or I'll lay your soul to waste, um yeah           |
| Hope you guess my name, oh yeah              | Pleased to meet you                               |
| Ah, what's puzzling you                      | Hope you (9) my name, um yeah                     |
| Is the nature of my game, oh yeah            | But what's (10) you                               |
| I watched with glee while your kings and (4) | Is the nature of my game, um mean it, get down    |
| Fought for ten decades                       |   |
