Millionaires by The Script

The kick in our ass says it's time to close
We're leaning on each other
Trying to beat the cold
Carry your shoes and I (1)_____ you my coat
Walking these streets
Like they were paved gold
There ain't anymore excuses not to go
Neither one of us want to take that taxi home
Singing our hearts out, standing on chairs
Spending our time, like we were millionaires
Laughing our heads off, the two of us there
Spending our (2)_____ like we were millionaires,
millionaires
Lost my (3)_____ and I hoped to die
Seeing that sunlight hit your eyes
Been up all (4)_____
But you still look amazing to me
(5)_____ the time of the night you (6)_____ dream
about
If God came down could take me now
Because in my mind, we will always be
Singing our hearts out, standing on chairs
Spending our time like we were millionaires
(7)_____ our heads off, the two of us there
Spending our time like we were millionaires, millionaires
Check out us since six in the morning
If time was money, yeah we'd be worth a fortune
I swear, you may think you're rich
You could have a million euro
But you can't buy this

And the band was on playing our song
We messed up the lyrics as we sang along
But we didn't care
Because it felt like we (8)_____ the only ones there
Our feet were sure
Our thoughts were raw
They're (9)_____ on the lights, but we're
shouting more
We're shouting more
Singing our hearts out, standing on chairs
Spending our time like we were millionaires
Laughing our heads off, the two of us there
Spending our time like we were millionaires, millionaires
Check out us since six in the morning
If time was money, yeah we'd be worth a fortune
I swear, you may think you're rich
You could (10)_____ a million euro
But you can't buy this
Look at us since six in the morning
If time was money, yeah we'd be worth a fortune
I swear, you may think you're rich
You could have a million euro
But you can't buy this
Walking these streets
Like they're paved gold
There ain't anymore excuses not to go
Neither one of us want to take that taxi home

Fill in the gaps

Answer

1. give
