And the band was on playing our song		
We messed up the lyrics as we sang along		
But we didn't care		
Because it felt like we were the only ones there		
Our feet were sure		
Our (6) were raw		
They're turning on the lights, but we're shouting more		
We're shouting more		
Singing our hearts out, standing on chairs		
Spending our time like we were millionaires		
Laughing our (7) off, the two of us there		
Spending our time like we were millionaires, millionaires		
Check out us since six in the morning		
If time was money, yeah we'd be worth a fortune		
I swear, you may think you're rich		
You (8) have a million euro		
But you can't buy this		
Look at us (9) six in the morning		
If time was money, yeah we'd be worth a fortune		
I swear, you may think you're rich		
You could have a million euro		
But you can't buy this		
Walking these streets		
Like they're (10) gold		
There ain't anymore excuses not to go		
Neither one of us want to take that taxi home
