Before the worst by The Script

It's been a while since the two of us talked

About a week since the day that you walked

Knowing things would never be the same

With your empty heart and mine full of pain

So (1)_____ to me, how we came to this

Take it back to the night we kissed

It was Dublin city on a Friday night

There were vodkas and coke, I was Guinness all night

We were sitting with our backs against the world

Saying things that we thought but never heard

Who would have thought it would end up like this?

Where everything we talked about is gone?

And the only chance we have of moving on

Is try to take it back before it all went wrong

Before the worst, before we mend

Before our hearts decide

It's time to (2)_____ again

Before too late

Before too long

Let's try to take it back (3)_____ it all went wrong

There was a time

That we'd stay up all night

Best friends yet talking till the daylight

Took the joys alongside the pain

With not much to loose, but so much to gain

Are you hearing me? Because I don't (4)_____ miss you

You were adrift on memory bliss

In this Grafton Street on a rainy night

I was down on one knee and you were mine for life

We were thinking we would never be apart

With your name tattooed across my heart

Who would have thought it would end up like this?

Where everything we talked about is gone

And the only chance we (5)_____ of (6)_____ on

Is try to take it back before it all went wrong

Before the worst, before we mend

Before our (7)_____ decide

It's time to love again

Before too late

Before too long

Let's try to take it back before it all went wrong

And if the clouds don't clear

Then we'll rise above it, we'll rise above it

Heaven's gate is so near

Come walk with me through

Just like we used to, just like we used to

Let's (8)_____ it back before it all went wrong

Before the worst, before we mend

Before our (9)_____ decide

It's time to love again

Before too late

Before too long

Let's try to take it back before it all went wrong
