Before the worst by The Script

It's been a while since the two of us talked
About a week since the day that you walked
Knowing things would never be the same
With your empty heart and mine full of pain
So explain to me, how we came to this
Take it back to the (1)_____ we kissed
It was (2)_____ city on a (3)_____ night
There were vodkas and coke, I was Guinness all night
We were sitting with our backs against the world
Saying things that we (4)_____ but never heard
Who would (5)_____ thought it would end up like this?
Where everything we talked about is gone?
And the only chance we have of moving on
Is try to take it back before it all went wrong
(6)_____ the worst, before we mend
Before our hearts decide
It's time to love again
Before too late
(7)_____ too long
Let's try to take it back (8)_____ it all went wrong
There was a time
That we'd stay up all night
Best friends yet talking till the daylight
Took the joys alongside the pain
With not much to loose, but so (9)_____ to gain
Are you hearing me? Because I don't wanna (10)_____
you
You were adrift on memory bliss
In this Grafton (11)_____ on a (12)_____
night

I was down on one knee and you were mine for life
We were thinking we would (13)_____ be apart
With your name tattooed across my heart
Who (14)_____ (15)_____ thought it would end
up like this?
Where everything we talked (16)_____ is gone
And the (17)_____ (18)_____ we have of
moving on
Is try to take it back before it all went wrong
Before the worst, before we mend
Before our (19)_____ decide
It's time to (20)_____ again
Before too late
Before too long
Let's try to take it back (21)_____ it all went wrong
And if the clouds don't clear
Then we'll rise (22)_____ it, we'll rise above it
Heaven's (23)_____ is so near
Come walk with me through
Just (24)_____ we used to, (25)_____
(26)_____ we used to
Let's take it back before it all went wrong
Before the worst, before we mend
Before our hearts decide
It's time to love again
Before too late
Before too long
Let's try to take it back (27)_____ it all went wrong
