

Fill in the gaps

It's (1) a while since the two of us talked	I was down on one knee and you were (12) for life
(2) a week since the day that you walked	We (13) we
Knowing things would never be the same	(15) never be apart
(3) your empty heart and mine full of pain	With your (16) (17) across
So (4) to me, how we came to this	my heart
Take it back to the night we kissed	Who would (18) thought it would end up like this?
It was Dublin city on a Friday night	Where everything we talked (19) is gone
There were vodkas and coke, I was Guinness all night	And the only chance we have of (20) on
We were sitting with our backs against the world	Is try to take it (21) before it all went wrong
Saying (5) that we thought but never heard	Before the worst, before we mend
Who would have thought it would end up like this?	Before our hearts decide
Where everything we talked about is gone?	It's time to love again
And the only chance we have of moving on	Before too late
Is try to take it back before it all went wrong	Before too long
Before the worst, (6) we mend	Let's try to take it back before it all went wrong
Before our hearts decide	And if the clouds don't clear
It's time to love again	(22) we'll rise (23) it, we'll rise above
Before too late	it
(7) too long	Heaven's gate is so near
Let's try to take it back (8) it all went wrong	Come walk with me through
There was a time	Just (24) we used to, just (25) we used
(9) we'd stay up all night	to
Best (10) yet (11) till the	Let's take it back (26) it all went wrong
daylight	Before the worst, before we mend
Took the joys alongside the pain	Before our hearts decide
With not much to loose, but so much to gain	It's time to love again
Are you hearing me? Because I don't wanna miss you	(27) too late
You were adrift on memory bliss	Before too long
In this Grafton Street on a rainy night	Let's try to take it back before it all went wrong
