Fill in the gaps

Before the worst by The Script

It's been a while since the two of us talked
(1)_____ a week (2)_____ the day that you walked
Knowing things would never be the same
With your (3)_____ heart and mine full of pain
So (4)_____ to me, how we came to this
Take it back to the night we kissed
It was Dublin city on a Friday night
There were vodkas and coke, I was Guinness all night
We were sitting with our backs against the world
Saying things that we thought but never heard
Who would have thought it would end up like this?
Where (5)_____ we talked about is gone?
And the only chance we have of moving on
Is try to take it back before it all went wrong
Before the worst, before we mend
Before our hearts decide
It's time to love again
Before too late
Before too long
Let's try to take it back before it all went wrong
There was a time
That we'd stay up all night
Best friends yet talking till the daylight
Took the (6)_____ alongside the pain
With not much to loose, but so much to gain
Are you hearing me? Because I don't wanna miss you
You were adrift on memory bliss
In this Grafton Street on a rainy night
I was down on one knee and you were mine for life
We were thinking we would never be apart
With your name tattooed across my heart
Who would (7)_____ (8)_____ it would end up like this?
Where everything we talked about is gone
And the only chance we have of moving on
Is try to take it back before it all went wrong
Before the worst, before we mend
Before our hearts decide
It's time to love again
Before too late
Before too long
Let's try to take it back before it all went wrong
And if the clouds don't clear
Then we'll rise above it, we'll rise above it
Heaven's gate is so near
Come walk with me through
Just like we used to, just like we used to
Let's (9)_____ it back before it all went wrong
Before the worst, before we mend
(10)_____ our hearts decide
It's time to love again
Before too late
Before too long
Let's try to take it back before it all went wrong

Fill in the gaps

Answer

1. About
2. since
3. empty
4. explain
5. everything
6. joys
7. have
8. thought
9. take
10. Before
