

Fill in the gaps

Before the worst by The Script

It's been a while since the two of us talked
About a week since the day that you walked
(1)_____ things would never be the same
With your empty heart and mine full of pain
So explain to me, how we came to this
Take it back to the night we kissed
It was Dublin city on a Friday night
(2)_____ were vodkas and coke, I was Guinness all
night
We were sitting with our backs against the world
Saying (3)_____ that we thought but never heard
Who would have thought it (4)_____ end up like this?
Where everything we talked about is gone?
And the (5)_____ chance we have of moving on
Is try to take it back before it all went wrong
Before the worst, before we mend
Before our hearts decide
It's time to love again
Before too late
Before too long
Let's try to take it back before it all went wrong
There was a time
That we'd stay up all night
Best friends yet talking till the daylight
Took the joys alongside the pain
With not much to loose, but so much to gain
Are you hearing me? Because I don't wanna miss you
You were adrift on memory bliss
In this Grafton Street on a rainy night

I was down on one knee and you were mine for life
We were thinking we would never be apart
With your name tattooed (6)_____ my heart
Who would have thought it would end up like this?
Where everything we talked about is gone
And the (7)_____ chance we have of moving on
Is try to take it back before it all went wrong
Before the worst, before we mend
Before our hearts decide
It's time to love again
Before too late
Before too long
Let's try to take it back before it all went wrong
And if the clouds don't clear
Then we'll rise above it, we'll (8)_____ above it
Heaven's gate is so near
Come walk with me through
Just like we (9)_____ to, just like we used to
Let's take it back before it all went wrong
Before the worst, before we mend
Before our hearts decide
It's time to love again
Before too late
Before too long
Let's try to take it back before it all went wrong

Fill in the gaps

Answer

1. Knowing
2. There
3. things
4. would
5. only
6. across
7. only
8. rise
9. used
