## Six degrees of separation by The Script

You've read the books, you've watched the show	First, you think the worst is a broken heart
What's the (1) way no one knows ye?	What's (7) kill you is the second part
Meditate get hypnotized	And the third, Is when your world splits down the middle
Anything to take it from your mind	And fourth, you're gonna think that you fixed yourself
But it won't go	Fifth, you see her out with someone else
You're doing all these things out of desperation	And the sixth, is when you admit
You're going through six degrees of separation	That you may have fu*ked up a little

Watch the past go up in smoke	Without finding closure
