

Fill in the gaps

vvelcome back nome everyone,		God what a gift	
as you know, I am now dead,		You tell me with your tongue	
and this video shows my last will and testament.		And your breath goes in the lungs	
Between my three children,		And the flow that filled the rift	
I couldn't decide which of you		I know that things can really get rough	
to keep the house to,		When you go in love	
as each of you grew up here (1) me.		Don't go thinking you gotta be tough	
So I didn't choose any of you,		Complete like a stone	
because, as you know, each of you hates my guts.		(6) be there's nothing else in our lives	
Well this is just a simple song		So critical as this little hole.	
To see what you've done		This isn't actually a (7) to the house, I was	
I told you (2) all those fears		kidding.	
And (3) they did run		Let's be honest,	
You sure must be strong		this (8) is full of awful memories for all of us,	
Instead, I've hidden the deed somewhere in the house,		so I've already sold the estate and I am having the house	
and the first of you to find it gets everything,		demolished. But best of luck to all of you. Love,	
ready? get steady, go!		Dad,	
You feel like an ocean		Well this isn't be a simple song	
Being warmed by the sun		to say what you've done	
When I was just nine years old		I told you about all those fears	
I swear that I dreamt		And away they did run	
Your face on a football field		You sure must be strong	
And a kiss that I kept		P.S. The (9)	crew arrives at 2:00
Under my vest		p.m	
Apart from everything, the heart in my chest		And you feel like an ocean	
I know that things can really get rough		Being warmed by the sun	
When you go in love		Remember walking a mile to your house	
Don't go thinking you gotta be tough		That glow in the dark	
Complete like a stone		I made a fumbling play for your heart	
Could be there's nothing else in our lives		And the extra of the spark	
So (4) as (5)	_ little hole	You wore a charm in a chain	
My life in an action boat, marooned on a cliff		That I stole special for you	
You brought me a great big flood		Love's such a delicate (10)	that we do
And you gave me a lift		We've nothing to prove	
		Which I never knew	

- 1. with
- 2. about
- 3. away
- 4. critical
- 5. this
- 6. Could
- 7. deed
- 8. place
- 9. wrecking
- 10. thing
