

## Fill in the gaps

<em>Welcome back home everyone,</em>	God what a gift
as you know, I am now dead,	You tell me with your tongue
and this video shows my last will and testament.	And (13) breath (14) in the lungs
Between my three children,	And the flow that filled the rift
I couldn't (1) which of you	I know that (15) can really get rough
to keep the house to,	(16) you go in love
as each of you grew up here with me.	Don't go thinking you gotta be tough
So I didn't choose any of you,	Complete like a stone
because, as you know, each of you hates my guts.	Could be there's nothing else in our lives
Well this is just a simple song	So critical as this little hole.
To see what you've done	<em>This isn't (17) a deed to the</em>
I told you about all those fears	house, I was kidding.
And away they did run	Let's be honest,
You (2) (3) be strong	this place is full of awful memories for all of us,
<em>Instead, I've hidden the (4) somewhere in</em>	so I've already sold the (18) and I am having
the house,	the house demolished. But best of luck to all of you.
and the (5) of you to find it gets everything,	<em>Love, Dad</em> ,
ready? get steady, go!	Well this isn't be a (19) (20)
You (6) like an ocean	to say what (21) done
(7) warmed by the sun	I told you about all those fears
(8) I was just (9) years old	And away they did run
I swear that I dreamt	You sure (22) be strong
Your face on a (10) field	<em>P.S. The (23) crew arrives at 2:00</em>
And a kiss that I kept	p.m
Under my vest	And you feel like an ocean
Apart from everything, the heart in my chest	Being warmed by the sun
I know that things can really get (11)	Remember walking a (24) to your house
When you go in love	That (25) in the dark
Don't go thinking you (12) be tough	I (26) a fumbling play for your heart
Complete like a stone	And the extra of the spark
Could be there's nothing else in our lives	You (27) a charm in a chain
So critical as this little hole	That I stole special for you
My life in an action boat, marooned on a cliff	(28) such a delicate thing that we do
You brought me a great big flood	We've nothing to prove
And you gave me a lift	Which I never knew
